Rodman BUZZ For Teens

ONGOING PROGRAMS

Teen D&D

Teens, 12-18, can sign up at Rodman Public Library to participate in an ongoing series of "one-shot" Dungeons and Dragons missions every month. Sessions are usually held on the second Mondays of each month from 4:30 to 7:30 p.m. Players do not have to play consistently to participate. Those interested can sign up via our online calendar on a month-to-month basis. Space will be limited each month to six players. A DnD Beyond account and email address is required to play. Before the day of the program, participants will receive a link to the campaign on DnD Beyond via email in order to add their character to the campaign page. Participants must create a character before the day of the program. For assistance creating a DnD Beyond account or a character, make arrangements with the Reference Department.

American Revolution Traveling Exhibit to Visit RPL

The Alliance-based Jane Bain Chapter of the National Society Daughters of the American Revolution is collaborating with the American Battlefield Trust to support an "American Revolution Experience Traveling Exhibit" celebrating the 250th anniversary of the signing of the Declaration of Independence.

The innovative pop-up exhibition includes display panels and interactive digital kiosks that use storytelling, illustration, technology and unique artifacts and primary accounts to connect modern audiences with the people and places that shaped the birth of our nation.

The exhibit will be on display inside the Rodman Public Library Auditorium from Monday, August 12 through Friday, August 16. The exhibit will open on August 12 at noon and can be viewed during the hours the library is open through August 16 at 4 p.m.

For those interested in exploring their roots, the hosting chapter will have genealogists on site for you to learn about your connections to Revolutionary War patriots. The exhibit is free to all and takes a half hour to view.

The exhibit consists of 12 panels, designed to be arranged in pairs that cover thematic topics raised by the individuals featured in the exhibition. Examples include "Choosing Sides," "On the Front Lines" and "Freedom or Slavery." Three touchscreen displays augment the panels.
