## ONGOING PROGRAMS

### Teen D&D

Teens, 12-18, can sign up at Rodman Public Library to participate in an ongoing series of "one-shot" Dungeons and Dragons missions every month. Sessions are usually held on the second Mondays of each month from 4:30 to 7:30 p.m. (NOTE: September's session is being held on the third Monday of the month due to a schedule conflict.) Players do not have to play consistently to participate. Those interested can sign up via our online calendar on a month-to-month basis. Space will be limited each month to six players. A DnD Beyond account and email address is required to play. Before the day of the program, participants will receive a link to the campaign on DnD Beyond via email in order to add their character to the campaign page. Participants must create a character before the day of the program. For assistance creating a DnD Beyond account or a character, make arrangements with the Reference Department.

**Monday, September 16**  
4:30 to 7:30 p.m.

### Teen Gaming

Area teens, ages 12-18, are invited to Rodman Public Library every other Thursday for Teen Gaming. Teens will be able to play on Xbox One, Xbox Series X, Playstation 4 & 5, Meta Quest 3, Nintendo Switch and Nintendo WiiU. Games with ratings from "E" for Everyone, up to "T" for Teen level will be offered. No registration is required.

Of course, other games available in the library's collection will also be available for visitors to play and those attending are always welcome to bring their own games. The aim of the family program is to give area residents an opportunity to gather with others to play their favorite board games and make new friends. Light snacks will be offered and no registration is required to attend. Although the program is open to players of all ages, children under 13 should be accompanied by an adult.
